

# Dragon

---

The information about Dragon descriptors can be found at book of [R.Todeschini and V.Consonni](#): "Molecular Descriptors for Chemoinformatics", (2 volumes), WILEY-VCH, Weinheim (Germany) 2009, 1257 pp.

A brief description of them can be also found at [Virtual Computational Chemistry Laboratory](#) as well as at [Dragon User Manual](#)

**N.B.!** These descriptors can be only used for model development on OCHEM web site and cannot be exported.
